There are three buildings on the grounds of the Gerrit Rietveld Academie: the Rietveld building (RV) the Benthem Crouwel building (BC) and the FedLev building (FL). Throughout the campus, within the buildings, black elliptical stickers have been placed on the floor to help you navigate. By standing in the centre of these ellipses, you can find the different departments, workshops, and facilities.

Some important pointers! In the FL building, you can find out more about the pre-courses. Want to talk about your portfolio? Find the GYM in the basement of the RV building. In the foyer of the RV building there is an information desk and a shop. In the BC building, you will find DODtime (Rietveld's evening education) which is open from 14:00 until 19:00 hrs.

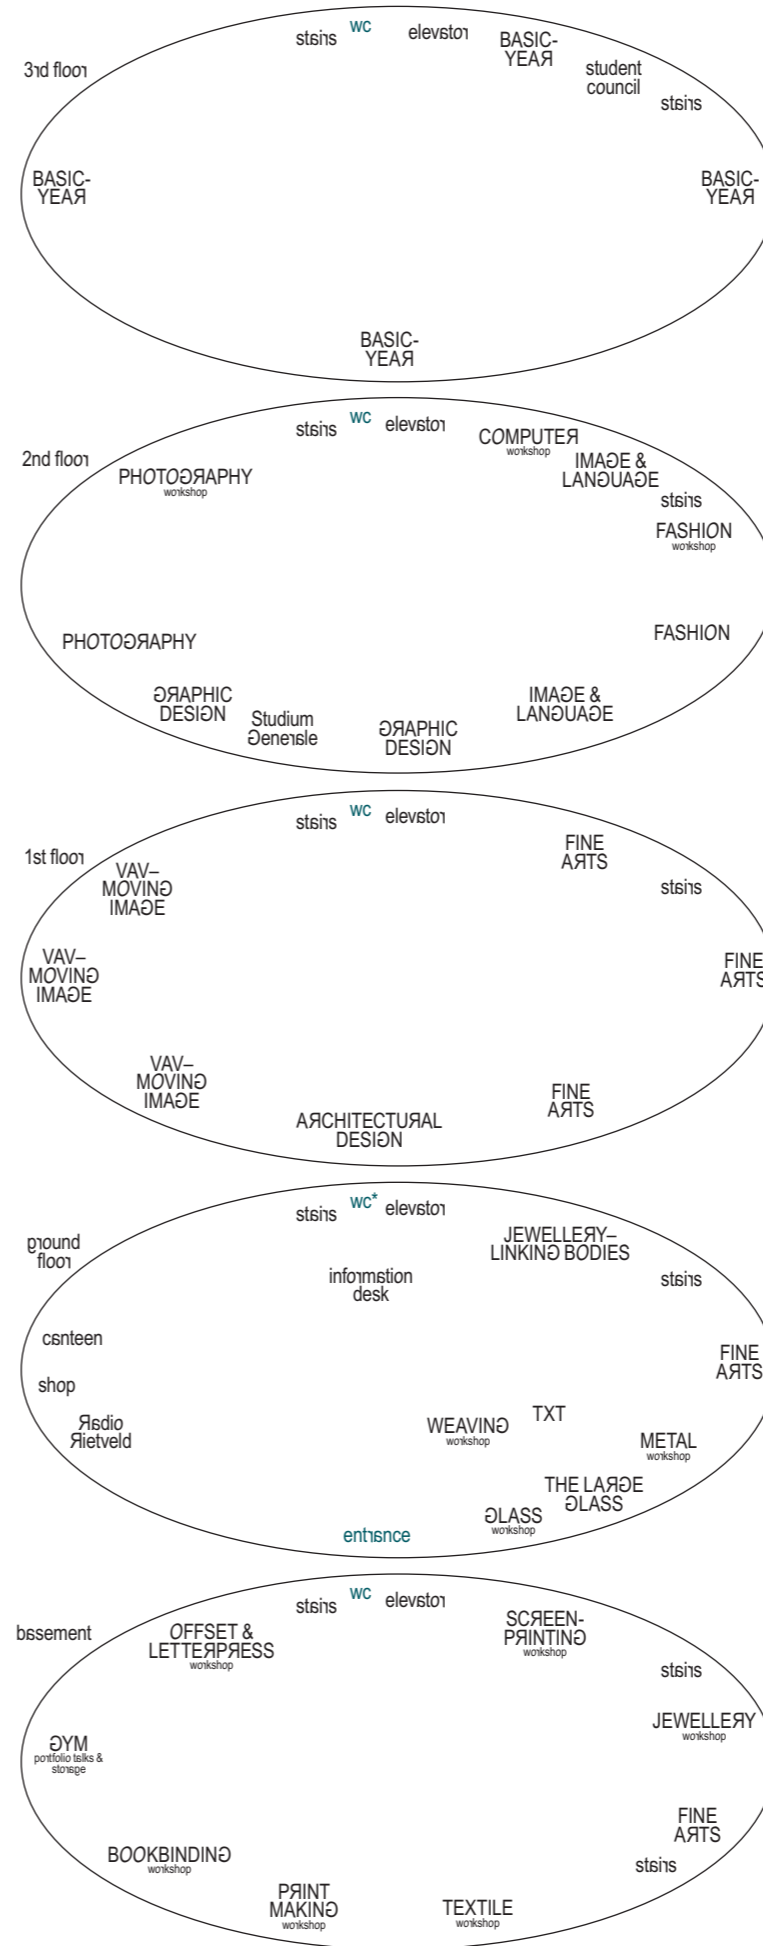

Have fun!
