Explanation enhanced statutory fee smallscale studyprogramme

The Gerrit Rietveld Academie is allowed to set the
statutory fee at a higher level based on the
"Distinctive feature of small-scale and intensive
education", awarded in 2013 by the Dutch-Flemish
Accreditation Council (NVAO). The enhanced statutory
fee is already included in the above rate.

This enhanced statutory fee enables the academy to
provide students with an intensive, smallscale,
international studyprogramme with a strong focus on
the individual student. By handling a relatively
limited raise for the majority of the students (the
group that is allowed to pay the statutory fee), the
institutional fee can remain relatively low. This
way, the academy aims to lower the bar for the
minority of the students (non-EU/EEA nationality or
students with a Dutch Master degree) who have to pay
the institutional fee.
