### **Explanation enhanced statutory fee smallscale studyprogramme**

The Gerrit Rietveld Academie is allowed to set the  
statutory fee at a higher level based on the  
"Distinctive feature of small-scale and intensive  
education", awarded in 2013 by the Dutch-Flemish  
Accreditation Council (NVAO). The enhanced  
statutory fee is already included in the above  
rate.

This enhanced statutory fee enables the academy to  
provide students with an intensive, smallscale,  
international studyprogramme with a strong focus  
on the individual student. By handling a  
relatively limited raise for the majority of the  
students (the group that is allowed to pay the  
statutory fee), the institutional fee can remain  
relatively low. This way, the academy aims to  
lower the bar for the minority of the students  
(non-EU/EEA nationality or students with a Dutch  
Master degree) who have to pay the institutional  
fee.
