Explanation enhanced statutory fee smallscale studyprogramme

The Gerrit Rietveld Academie is allowed to set the
statutory fee at a higher level based on the
"Distinctive feature of small-scale and intensive
education", awarded in 2013 by the Dutch-Flemish
Accreditation Council (NVAO). The enhanced
statutory fee is already included in the above
rate.

This enhanced statutory fee enables the academy to
provide students with an intensive, smallscale,
international studyprogramme with a strong focus
on the individual student. By handling a
relatively limited raise for the majority of the
students (the group that is allowed to pay the
statutory fee), the institutional fee can remain
relatively low. This way, the academy aims to
lower the bar for the minority of the students
(non-EU/EEA nationality or students with a Dutch
Master degree) who have to pay the institutional
fee.
